FROM:

Chief, Management and Planning Group, DO/IMS

SUBJECT: Comments on ISOC Draft on Systematic Review of Foreign Government Information.

REFERENCE: DDA/OIS/CRD memorandum of 14 January 1983, Same Subject.

1. We concur in the changes and additions you propose to the ISOO guidelines for systematic review of Foreign Government Information.

2. From our point of view one other change needs to be made. The first sentence of paragraph 2002.4 (c) should be modified to read:

(c) Agency heads who have declassification jurisdiction over permanently valuable foreign government information in agency records not yet accessioned into the National Archives of the United States are encouraged to conduct systematic declassification reviews of Foreign Government Information, except for that pertaining to intelligence and security matters, in accordance with the time limits specified in (b) above.
